Re: United States v. Shawnle McClary
24-MJ-4013

Dear Judge Payson:

I represent Shawn McClary with respect to the above-referenced case. We are scheduled to appear before Your Honor on Monday, August 13, 2024 for purposes of a status conference and request for a detention hearing. I am respectfully requesting an adjournment of this appearance for an additional 30 days, reserving the right to request a detention hearing in the future for the purpose of continuing to review discovery. I have discussed this request with my client and he agrees to the same. I am asking that the time between now and the next scheduled date be excluded as Mr. McClary and I both believe it is in his best interests to continue to review the discovery provided by the government.

Please advise if this request is acceptable and what new date may be available. Thank you for your consideration.

Sincerely,
